28 years of experience in the LOGISTICS field.

BRIEF INTRODUCTION

My name is Madhu Pandey and I have been in the logistics industry since 1998.

NMPP Express LLC was formed in Jan 2023 and in July 2023 I have begun to manage it as a freight forwarder and an NVOCC. **Website: NMPPEXPRESS.COM**

NMPP EXPRESS primarily being engaged in ocean freight forwarding and other services like drayage, project cargo, and crating.

My experience and knowledge are vast from learning over the years that I have gained through my own effort AND unshakeable dedication. My expertise has been flawless in every logistics-related area where I have excelled immensely and executed accordingly during my tenure.

I have gained unwavering trust and long-lasting faith and confidence from a large network of major customers, vendors, and subcontractors with whom I have worked AND partnered for the longest.

Air export, Ocean import-export, Project cargo, Warehouse distribution, and Domestic Trucking (FTL and LTL) are what I have been involved in all my life.

I am also holding a customs broker license and I intend to perform the customs clearance as a private individual customs broker (not associated with NMPP EXPRESS LLC).

I have been trained in regulatory aspects in relation to TSA(air), FMC, AES (OE), ISF, and C-TPAT (OI). I am a heavily compliant-oriented person and have been able to avoid violations of any sort from these imposing government entities.
